

75 years of family style hospitality

Dear guests, welcome!

Since 1950, the Ming family has embodied a tradition of hospitality in Vevey based on excellence, commitment and innovation. To mark this anniversary, the historic Brasserie La Coupole 1912 is paying tribute to its rich culinary heritage by offering a **weekly vintage dish** inspired by iconic recipes from the mid-20th century. A true culinary journey through time, in an authentic setting that has been carefully preserved.

On Sunday lunchtimes, you can also enjoy a tradition dear to the people of Vevey: **the Sunday roast**, the ultimate convivial dish, brought back into favour for the pleasure of today's gourmets.

Discover these weekly suggestions on the following page.

A true **Vevey institution**, the historic **Brasserie La Coupole 1912** is now an integral part of the Astra Hotel Vevey complex. The Ming family – guardians of the premises for three generations – look forward to welcoming you every day of the year to enjoy authentic brasserie cuisine, accompanied by carefully selected wines from our region.

We hope you enjoy your visit to this historic location and wish you to enjoy your meal!
